Inspiration to Realization: Real Women Reveal Proven Strategies for Personal, Business, Financial and Spiritual Fulfillment

I am excited to tell you I'm going to be a published author, in the book *Inspiration to Realization (Volume III)*. This book includes chapters on:

- ❖ how to say 'no' without feeling guilty,
- ❖ tips for creating the life you want one decision at a time,
- ❖ how to turn your small business into a brand-name success,
- ❖ tools to discover your secret weapon against stress and overwhelm,
- ❖ how to experience total freedom every moment of every day.

My chapter shows you how to be proactive about achieving your goals all the while becoming more effective dealing with people overall.

Early reviews about the book say:
